ORDER

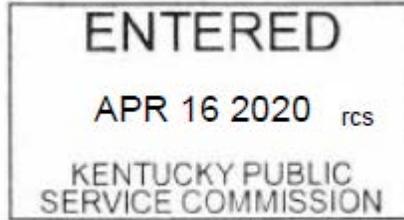

On April 13, 2020, Allen County Water District (Allen District) filed a motion for a 90-day extension to comply with ordering paragraph 9 of the December 19, 2019 Order in this case, which requires Allen District to request an adjustment to its rates in accordance with 807 KAR 5:0776 on or prior to July 1, 2020. In support of its motion, Allen District states that its accountant has informed Allen District that the annual audit will not be completed prior to the end of May 2020. Allen District has employed the Kentucky Rural Water Association (KRWA) to perform a rate analysis, based on the final numbers contained in the completed audit. KRWA has indicated that the rate analysis will take a minimum of five weeks to complete. Once this analysis is complete, Allen District states that it will submit its alternative rate adjustment application to the Kentucky Public Service Commission as soon thereafter as possible.

Finding that the motion should be granted, the Commission HEREBY ORDERS that:

1. Allen District is granted a 90-day extension in order to comply with ordering paragraph 9 of the December 19, 2019 Order in this case.
